Our Mission:

Great people, great service, working together for a safer Washington.

Our Vision:

Department of Licensing: One vision, one voice - excellence every time.

Nearly every Washington State resident interacts with DOL in some way through driver licensing, vehicle or vessel tabs, or for professional business licenses. The Department of Licensing employs more than 1,200 people in over 60 locations statewide. To learn more about our agency, please visit our website at www.dol.wa.gov.

Position Objectives & Responsibilities

This senior-level technical lead position will work with the Vehicles Services Division and Finance and Administration as an applications development specialist in Web based technologies. Responsibilities include all aspects of the online and batch analysis, consulting, design, programming, maintenance and/or support of major, high risk/high impact internet applications, supporting products, projects databases or database management systems.

Required Competencies

- Minimum of 4 years experience developing and enhancing applications with Cobol and SQL languages and applications of agency development standards
~ AND ~
- A Bachelor's degree with focus on computer science AND 4 years experience analyzing, designing, or programming computer systems applications or databases.
~ OR ~
- An Associate's degree or completion of an accredited vocational training program in IT or related field AND five years of experience analyzing, designing or programming computer systems and applications or databases.
~ AND ~
- Experience analyzing, designing or programming computer systems applications or databases will substitute for education on the basis of one year of experience for two years of education.

Desired Competencies

- 4 years experience developing and enhancing applications within the following areas:
 - ASP.NET
 - VB.NET
 - VB Script
 - MS SQL Server Database
 - Reporting tools (Crystal and MS Reporting Service)
 - Visual Basic
- Working knowledge of DOL policies, procedures and processes or similar knowledge of best practices in project management, requirements gathering, testing and configuration management.

Compensation

This position is in general government service. Starting monthly compensation is \$4,247 - \$5,435/mo depending upon qualifications. We offer a solid benefits package that includes a state retirement plan, deferred compensation, 11 paid holidays, paid vacation and sick leave, and a full array of health, dental, life, and long-term disability insurance coverage. This position is in a collective bargaining unit and as a condition of employment you will be required to become a union member or pay a fee as outlined in the Master Agreement.

Application Procedure

E-mail is the preferred method of application and will be used as the primary method of communication throughout this process.

E-mail application materials to HRrecruit@dol.wa.gov with a subject line of *06-112G MA3*.

All requested materials must be submitted.

- A letter of interest (no more than two pages) describing your skills and experience as they relate to the Required and Desired Competencies outlined in this announcement;
- A Washington State Job Application;
- A list of three professional references, including one supervisor, one peer, and one customer, with current telephone numbers and addresses.

Note: The act of submitting application materials is considered affirmation that the information provided is complete and truthful. Prior to any new appointment into DOL, a background check will be conducted.

The certified candidate pool for this position may be used to fill other similar positions for up to 6 months after the certification date.

If e-mail is not possible, please mail materials to:
